※ IMPORTANT ISSUES TO BE CONSIDERED FOR CONTINUING STUDENTS

4. When students don't arrive at the school within the first two weeks of each semester, their enrollment of that semester will not be allowed.
5. When students don't pay at least **500,000/=** at the very day of their arrival, their enrollment of that semester will not be allowed. They cannot enter any room in the dormitory and take foods in the dining hall and attend any class. The **whole school fees should be paid before the 8th week**. If not, their enrollment will be cancelled for that semester. In that case, there is no refund of school fees.
6. School will provide any kind of Scholarships and Sponsorships to students only after they pay all required School Fees including all these Other Payable Fees
7. Continuing International Students must present their **certificate of entry** or **VISA** at the very day of their arrival EACH SEMESTER. If they don't, their enrollment of that semester will not be allowed.
